

BASKET FISH SCREEN

Ketek's most versatile option comes in many sizes to meet your flow rate needs. It is compatible with suction hose or multiple sizes of submersible pumps. Pump floats are a common accessory to float the entire basket.

FISH SCREEN

Features:

- 3 - 20m³/min
- 825 - 3,272 lbs
- Compatible with most pump sizes
- 5' - 7' minimum water depth to achieve a full flow rate
